I authorize the Bedford Rural Electric Cooperative, Inc. (BREC) to initiate monthly drafts on the account shown above to pay my electric bill. I understand that payments will be deducted from my account on the 20th of each month (or the next business day if the 20th falls on a Saturday, Sunday, or Holiday). I agree to maintain sufficient funds in this account to complete the draft. Drafts rejected due to insufficient funds are subject to the Coop's normal non-sufficient funds (NSF) check fees. Also, two NSF draft notices will result in my termination from this program. This authority shall remain in effect until I provide BREC with a written, signed termination notice. Such notice must be presented to BREC prior to the first business day of the month. BREC reserves the right to terminate this program at any time. Participation is limited to members whose accounts are in good standing.

E-Z Pay

Enjoy the Convenience of Automatic Bank Drafting

- No More Check Writing
- No More Postage
- No More Late Charges

Bedford Rural Electric's E-Z Pay program is the easiest, most convenient way to pay your electric bill. It saves you time and money and it's free. All you need is a checking or savings account and we'll do the rest. Your payments will be sent directly to us from the bank. You'll save the time, postage costs, and hassle involved with paying bills. So, complete the attached form and return it to our office. If you need more information, give us a call or stop at the office.

When will my account be drafted?

Payments will be deducted from your account on the due date, which is the 20th of each month. If that date is a Saturday, Sunday, or a Holiday, your payment will be deducted on the next business day.

Will I still get a bill in the mail?

Yes, you'll receive your bill as usual. However, there will be no balance due. Instead, the bill will indicate that your account was automatically drafted.

Is there a charge to use E-Z Pay?

No, neither Bedford Rural Electric or your bank charges a fee for this service.

Can I rescind my E-Z Pay authorization?

Sure, you may cancel at any time. Just provide us with a written, signed termination notice. We must receive it prior to the first business day of the month for it to be effective for the next billing.

When will my authorization become effective?

It normally becomes effective with the second billing after we receive your authorization. Of course, just check the balance due section of your bill to see if your payment was drafted.

What about my meter reading?

Just call it into the office and leave it on our voice mail system or write it on your bill stub and mail it to the office.
