As a service to our members, Bedford Rural Electric needs to be aware of situations where special needs exist. Please provide the following details:

(Please print clearly)

Account: _____
 Name: _____
 Address: _____

 Home Phone: _____
 Cell Phone: _____
 Email Address: _____
 Special Needs: Medical

Each year, our goal is to provide service with no outages. Unfortunately, that is not a realistic expectation. Outages do occur and during severe storms, service restoration may take several days or longer. Therefore, we strongly recommend that our members with special needs install standby backup generation equipment. Please contact our office for more information on this type of equipment.
