

BEDFORD RURAL ELECTRIC COOPERATIVE, INC.
SEASONAL RESIDENTIAL SERVICE
SERES

AVAILABILITY

Available to members who use their homes or cottages only a part of the year, or at intervals during the year, for service to individual residential and cottage units for all usual residential and cottages uses, subject to the established rules and regulations of the Cooperative.

This schedule is not applicable for seasonal service to resorts, apartment houses, or groups of two or more cottages rented to transients; service in these categories must be taken under the appropriate schedule.

TYPE OF SERVICE

Alternating current, 60 hertz, single-phase, three-wire, at approximately 120/240 volts.

ANNUAL RATE

I. Distribution Delivery Charge:

Service Charge

Cost of Service @ \$288.00 per year

Energy Charge

All kWh Delivered @ \$0.0204 per kWh

II. Generation and Transmission Charge:

All kWh Sold @ \$0.06582 per kWh

MINIMUM DISTRIBUTION DELIVERY CHARGE

The minimum distribution delivery charge shall be the service charge. In no event shall the minimum charge be less than any guarantee established under the Area Coverage Policy and as agreed to by contract with the member.

METER READING

Members taking service under this schedule will not be required to read their meters. The Cooperative will read each meter about November 1 of each year.

BILLING

Members receiving service under this schedule will be billed annually, in advance, for the annual minimum charge or 50% of the previous year's billing, whichever is greater, and will be billed at the end of the seasonal billing period for all charges in excess of the advance payment.

MOTOR LOAD

Members may use integral motors in excess of five horsepower only after referring such motors to the Cooperative. The Cooperative shall exercise final approval on such loads only after insuring there is adequate capacity in the Cooperative's system to carry such loads and insuring that the operation of such motors does not interfere with service to other members.

TERMS OF PAYMENT

- a) The above rates are net, and are due and payable on or before the due date. The bill is overdue when not paid on or before the due date indicated on the bill. An overdue bill is subject to a late payment charge of 1.25% interest per month on the full unpaid and overdue balance of the bill, but not less than \$1.00. Interest charges shall be calculated on the overdue portions of the bill and shall not be charged against any sum that falls due during a current billing period.

- b) Whenever a member purchases generation and transmission service from a supplier other than the Cooperative, that portion of the member's bill for generation and transmission service shall not be subject to the late payment charge of paragraph a), but shall be subject to the late payment terms of the member's supplier.

GENERATION AND TRANSMISSION PRICE ADJUSTMENT

The charge(s) in Part II of the Schedule of Monthly Rates, Generation and Transmission Charges, shall be increased or decreased in accordance with the Cooperative's Generation and Transmission Price Adjustment Clause, Schedule "PA".
